Landmark Tax Group receives 2013 California Excellence Award

May 5th 2014 - Landmark Tax Group has been selected for the 2013 California Excellence Award amongst all its peers and competitors by the US Trade & Commerce Institute (USTCI).

Each year the USTCI conducts business surveys and industry research to identify companies that have achieved demonstrable success in their local business environment and industry category. They are recognized as having enhanced the commitment and contribution of small businesses through service to their customers and community. Small businesses of this caliber enhance the consumer driven stature that California is renowned for.

“On behalf of our tax professionals, I’m honored and grateful to receive this award in recognition of our dedication to helping taxpayers with their IRS and State tax matters”, said Landmark Tax Group president Michael Raanan, MBA, EA. Landmark Tax Group has consistently demonstrated a high regard for upholding business ethics and company values. This recognition by USTCI marks a significant achievement as an emerging leader within various competitors and is setting benchmarks that the industry should follow. “In addition to providing expert tax relief for our clients, we take our responsibility to each client several steps further by protecting their assets and helping them prevent another tax dispute in the future”, said Raanan.

As part of the industry research and business surveys, various sources of information were gathered and analyzed to choose the selected companies in each category. This research is part of an exhaustive process that encapsulates a year long immersion in the business climate of California.
