Dear Taxpayer:

This letter responds to our telephone conversation on Apr. 01, 2015, about the unpaid tax for the tax year shown above.

We added the additional tax years shown above to your **monthly installment agreement**. We'll continue to deduct your payment of **\$113.00 on the 18th of each month** from your checking account.

What you need to know about your installment agreement

We charge a \$52 user fee to cover the cost of providing a direct debit installment agreement.

You must contact our office at least 15 days before your monthly due date to stop an automatic payment withdrawal from your checking account.

We can reduce the installment agreement user fee for individuals whose income falls at or below levels in the IRS Installment Agreement Low Income Guidelines. You may qualify for this one-time reduction to your fee.

If your income is at or below the established levels (based on the Department of Health and Human Services poverty guidelines), you can apply for the reduced user fee of \$43 for new agreements. This reduction also applies to agreements that have payments deducted directly from a bank account.

You can find the income levels and instructions on how to apply for the reduced user fee on Form 13844, Application For Reduced User Fee For Installment Agreements.
