Changes to your 2015 Form 1040

Refund due: \$4,293.50

Your 2015 Form 1040 income tax overpayment was applied to offset an outstanding child support or federal agency debt. However, because an injured spouse allocation was filed requesting a refund of the non obligated spouse's share of the amount applied against the non tax debt, we have reversed the offset for all or a portion of your overpayment.

As a result, you are due a refund of \$4,293.50.

Summary	
Increase in credit	\$-4,293.50
Refund due	\$4.293.50

What you need to do

If you agree with the changes we made

• If you haven't already received a refund for \$4,293.50, you should receive it within 2-3 weeks as long as you don't owe other tax or debt we're required to collect.
